

MANTORVILLE EDA MEETING MINUTES
WEDNESDAY, OCTOBER 24, 2007
5:30 PM

The meeting was called to order by President Jennifer Gall at 5:40 PM. Members present were Marjorie Rapp, Jane Olive, Nancy Bauman, and President Gall.

It was decided that approval of the minutes of the October 10 meeting should be tabled until the next meeting.

Jane Olive gave a verbal financial report, stating that we had \$27,531.71 as of September 30th. There was discussion regarding investing a good share of the money, but it was decided to delay this until the possible land swap was decided.

There was a lot of discussion on the proposed "land swap" with the City. This would involve swapping the equivalent of 10 lots both north and south of 9th Street, west of Chestnut St., for the two lots the EDA owns on 4th St. It was decided that discussion of this should be continued at the next meeting where we would hopefully have a larger attendance.

Jane gave a review of that afternoon's activities with the State Senate Finance Committee. It apparently went smashingly well.

Jen distributed a booklet titled "trails mean".

The meeting was adjourned.

Respectfully submitted,

Nancy Bauman
Acting Secretary
