**7. Public Safety Update**

The Mantorville Fire Department Relief Association was present to update Council on their PERA retirement. They would like to increase their benefit level from \$1,600 to \$2,000. This would not involve any cost increases for the City. They didn't need a decision, the presentation was informational. They will have a resolution prepared for Council at the next meeting, November 25, 2024, if Council approves it at that meeting.

**8. Public Hearings – No Items**

**9. Old Business/New Business**

**A. Pickleball Informational Meeting**

City Clerk Lohrbach had a Public Notice for the informational meeting published in the newspaper, on Facebook, on the City Website, posted at City Hall, and in the Public Box outside City Hall.

Tracy Lee had previously presented at the Park Board and is very enthusiastic for a Pickleball Court here in Mantorville at Slingerland Park. She had some suggestions about the type of surfaces to be used.

Martha Vrieze said there could be advertising to generate income and local businesses may help to promote events. Friends of Mantorville will work on a way for players to make reservations. The Courts will have soundproofing, possibly Acousifence, and for now the hours will be limited to daylight.

Public Works Lead Adams will work with Vrieze to come up with hours they think would work and then present this to Council.

There were no other residents present wanting to make a comment.

Councilmember Nash moved and Councilmember Hoaglund seconded to approve moving forward with this project.

Motion carried: 5 ayes / 0 nays

**7. Public Concerns –**

- A citizen, Tina Bigaouette of 505 Walnut Street, raised concerns on behalf of herself and other neighbors about proposed tiny homes at the church on Walnut Street which were first discussed at the last City Council meeting. She wanted to know what their rights are as neighbors and how and when to get involved to make sure their voices are heard. She expressed concern about the following in relation to any proposed project: zoning compliance, public works and facilities impacts, impact on the surrounding properties and neighborhood, feasibility of fitting a project into the available space, liability, funding source, and safety in regards to how potential residents would be screened.
  - The original proposer, pastor Johan with the church at 515 Walnut Street, was present and said that thinking is still in the concept phase. They are exploring possibilities for building low-income housing on church property and have not explored pragmatic limitations yet. Residents would have to sign a Code of Conduct through the church, agreeing to adhere to religious standards of no alcohol, tobacco, or drugs. There are 2 main ideas being explored: (1) an intentional community using the Settled.org model for the homeless, or (2) the affordable housing idea in which rental homes would charge \$500-\$600/month. He is open to talking with neighbors in the next 3-6 months to hear their feedback.
  - Mayor Bradford said that a zoning variance could possibly be considered instead of a rezone if the project were to move forward. If it were considered, another public hearing would occur to get input on that.

**8. Public Safety Update - *No Items***

**9. Public Hearings – *No Items***

**10. Old Business/New Business**

- A. A motion was made to accept an in-kind donation valuing \$200 from Mayor Bradford to the City consisting of a Christmas tree, lights, and an extension cord for the band shell at Riverside Park. Councilmember Nash seconded to approve Resolution 2024-33. Mayor Bradford abstained.

Motion failed: 0 ayes / 5 nays

- 2) A motion was made and seconded to approve Resolution 2024-34 Adopting the Final Tax Levy Collectible for Year 2025 (a dollar amount of \$681,584, which represents an increase of 7.5%).

- 5) Corrections were made to the wording in the Final General Fund Budget for Year 2025. A motion was made and seconded to approve.

Motion carried: 5 ayes / 0 nays

- D. Koreen Seim gave an update on the old Relay Station lot directly to the west of the Post Office. Together with a potential buyer, they are seeking to get zoning for the lot changed from commercial to residential for property tax purposes and so that a residential home and accessory structures could be built there. It was determined to be uncertain what the lot's current zoning is and that it may be transitional already. The proposers will need to submit an application and fee before further investigation can continue. Mayor Bradford explained that a public hearing would be required to rezone or for any other pathway forward, and that any changes must meet historic guidelines.

## **11. Tabled Items**

- Security cameras for City Hall, the Fire Department, and Public Works Shop

## **12. Reports**

  - Adams reported that 4 of the new light poles for downtown are the wrong type, not matching what is already installed downtown. Though they belong to Xcel, a lot had been paid by the City for matching poles. They are also still waiting on Xcel to turn on the power to the electrical outlets on the poles and to the band shell in the park.

E. Councilmember Reports – *No Items*

F. Mayor’s Report

Mayor Bradford said that this would be his final City Council meeting. He expressed appreciation to all of the councils he has worked with over the years and the positive changes they were able to make, including improving communication between sub-committees and city administration, maintaining a lower tax levy, getting the \$1 million grant from the State to help with sewer infrastructure, and navigating the COVID-19 pandemic calmly while keeping outdoor spaces open and accessible for residents. Tom Monson presented a request to Joint Ventures for \$10K in funding for the bandshell. \$3,000 was ultimately approved by the joint ventures committee. It was Ingalls' first attendance of the meeting and Bradford's last. The next meeting is scheduled for Tuesday, March 11<sup>th</sup> at 7:30 AM. Nash updated the council on the decorations committee. The holiday decorations have not arrived, so they will likely not be up for this year. No update on the electricity for the poles.

Bradford update the council on the process to bring in temporary help from Express Temporary Services to fill the assistant gap. The previously approved candidate resigned after 3 days.

Hoaglund asked about the job description. Gretchen Lohrbach and Bradford confirmed we do have a current job description.

Ingalls discussed the mutual aid agreement with Byron to have Byron staff assist with the current staff shortage. **Re:** Annual Liability Coverage

---

As part of the LMC Insurance Trust policy renewal, the City Council needs to determine if it is going to waive or not waive the statutory tort limits – an amount a claimant could recover on any claim to the City.

In the past, the City has always chosen the DOES NOT WAIVE the statutory tort limits. This is also the recommendation of the City Attorney. A formal motion should be made by the City Council.

### **2. Pledge of Allegiance**

Everyone stood and recited the pledge of allegiance.

### **3. Executive Session**

Per a motion by councilmember Ingalls seconded by Hoaglund, and unanimously (5 / 0) approved, the meeting proceeded into a closed executive session at 4:01 PM pursuant to Minnesota Statutes, Section 13D.05, subdivision 3(a), to evaluate the performance of an individual subject to the City Council's authority, Ms. Gretchen Lohrbach. It is noted that no members of the public were present, so no one was asked to leave.

Motion to reopen the session by councilmember Blair, seconded by Ingalls and carried unanimously (5/0). Councilmember Ingalls announced outside chambers that the open meeting would resume; no members of the public were present.

### **4. Open Session resumed at 4:15 PM**

Mayor Bradford summarized the performance evaluation of City Clerk/Treasurer Gretchen Lohrbach as follows: "The Mantorville City Council conducted a performance evaluation of City Clerk-Treasurer Gretchen Lohrbach on December 18, 2024 and December 30, 2024, and the summary of the City Council's conclusions regarding the evaluation are as follows: The Council identified performance objectives and requirements for Ms. Lohrbach, including but not limited to Council goals, administration goals and requirements, responsiveness, adherence to policy requirements, necessary workplace adjustments, attendance requirements, and ongoing profession advancement training. The Council desires to work with Ms. Lohrbach moving forward through continued

evaluations and interactions to facilitate successful implementation of the goals and objectives of the Council and Ms. Lohrbach.”

Mayor Bradford noted that the next council will need to approve the meeting minutes.

Mayor Bradford noted that an assistant was starting in the office December 31<sup>st</sup>. Mayor Bradford noted that Camille Reber helped get office work caught up for now.

Mayor Bradford initiated a discussion on the staff raises for 2025. Ingalls noted that he would like to see a market analysis of how our staff compensation compares to other similar communities and that he had asked Al Roder from Byron for some example personnel policies. Council discussed various options for raise amounts. Bradford noted that candidates were asking for about 5% more than current staff compensation rates. Blair noted we don't have to do the raises now. Bradford indicated it's usually done before the end of the year. Hoaglund noted that he would like to see comparisons as well. Nash located the approved increase amount in the budget. Ingalls mentioned that we need to see written evaluations from Council. Ingalls confirmed COLA amount is 2.63%.

Ingalls proposed COLA be applied to all staff members and 3% increase for Joe and Wade. Bradford noted that the assistant from Express is contract for hire. Ingalls noted that we need more information before we make any market adjustments.

Ingalls made a motion to raise Joe and Wade's compensation by 2.63% COLA plus 3% merit. Motion was seconded by Hoaglund. Nash noted that we may want to raise Brad's salary the same as Joe and Wade. Ingalls amended the motion to include Brad. Amended motion seconded by Hoaglund and passed 5/0.

Ingalls made a motion to raise Lohrbach's salary by 2.63% COLA, and leave Lohrbach's merit pending the outcome of her performance evaluation. Seconded by Nash. Motion passed 5/0.

Discussion ensued on council compensation. Bradford noted that no change can be made for the next council. Hoaglund noted that most councils pay their members per meeting. Nash indicated the rate should be addressed by the next council. Everyone agreed that it should be addressed next year.

Nash noted the annual Chamber dinner is on Thursday, January 16<sup>th</sup> at 6 PM.

Hoaglund asked about a lot split for Martha Vrieze. Lohrbach indicated a resolution or minutes are on file and available.

Motion to adjourn by Ingalls, seconded by Hoaglund, approved unanimously. Meeting adjourned 4:45 PM.

Mayor Chuck Bradford  
Council Members: Greg Rud  
Lyle Hoaglund  
Jessica Bradford  
Jeffrey Ingalls

Welcome to a meeting of the Mantorville City Council. In order that this and future meetings can be more meaningful to you and other citizens, the City Council uses a set of rules to govern the conduct of its meetings. These "Rules of Procedure" are for the convenience of those attending meetings as well as for the members of the Council. The following is a brief summary of the rules which may be of interest to you.

**Please remember to sign in at the beginning of every meeting for the Clerk's record.**

## COUNCIL MEETING PROCEDURES

### ORDER OF BUSINESS

The schedule for a Council meeting is shown on the agenda. An agenda is simply a list of items of business to be considered at a meeting. Copies of the agenda are available on the table in the Council Chambers at the time of meetings.

Persons wishing to have an item considered by the Council must contact the office of the City Clerk before 12:00 p.m. of the Wednesday prior to the meeting date.

It is not necessary that requests be made in writing but would be best. The requests are forwarded to the members of the Council by the City Clerk in the Council meeting packet, thus allowing for more detailed study and review by the Council Members prior to the meeting.

### NON-AGENDA ITEMS

Individuals wishing to appear at regular meetings of the Council (second and fourth Mondays of each month) relative to items not included on the agenda may speak or make presentations with permission by the Mayor and Council Members.

The procedure for consideration of adding an Agenda item is **(1)** staff presentation; **(2)** presentations by petitioner or advisory bodies, if required; **(3)** Council motion and second of where to place the matter on the agenda; **(4)** Council questions of staff and/or advisory body reports and discussion when matter comes up on the Agenda; **(5)** presentations from the audience; and **(6)** Council decision. No discussion of an item is allowed by the Mayor,

Council or members of the audience until the matter has been placed on the floor.

No final action is to be expected for such items. The Council will want time to study proposals or requests not of a routine nature. You are encouraged to be placed on the Agenda if you wish immediate action by the Council.

### ADDRESSING THE COUNCIL

An individual wishing to address the Council should stand, approach the podium, wait to be acknowledged by the Mayor to speak, then state his/her name and address for the Clerk's record before speaking.

**All remarks should be directed to the Mayor rather than to any individual Council Member or administrative staff. The Mayor has full discretion to maintain the Quorum and take whatever actions deemed necessary.** The Mayor may wish to refer any questions to the proper Council Member, City Attorney, City Engineer or City staff.

To avoid confusion, only **one** person may have the floor (speak) at any one time. The Mayor is responsible for determining who has this privilege.

In order to facilitate matters and permit all of those who wish to express themselves to do so, presentations are limited to **five** minutes, except at official public hearings. Groups are encouraged to speak through a single spokesperson rather than individually.

All regular Council meetings are tape recorded. For this reason, it is very important that those talking to the Council speak loud enough and clearly enough to be picked up by the microphone.

## CONSENT AGENDA ITEMS

The Mantorville City Council uses a “consent agenda” procedure for routine non-controversial items needing little or no deliberation. Those items are identified on the Agenda and are approved with one (1) vote unless a Council Member or citizen requests that the item be considered separately.

## VOTING

**Three** members of the Council must be present if official business is to be transacted. Most resolutions and motions of the Council are adopted if a majority vote of those Council Members present is cast. Some actions require more votes, such as an ordinance related to zoning regulations which requires approval by a 4/5 vote of the entire Council. The publication of an ordinance in the official newspaper of the City is required before it actually takes effect.

Only members of the City Council may vote on decisions before them. The Council takes comments from citizens, Staff and Commission information and the interests of the general public into account in arriving at decisions. Members of the Council attempt to represent your best interests as well as those of your fellow citizens.

## PUBLIC HEARINGS

Certain items on the agenda are identified as “public hearings”. These are formal proceedings giving citizens an opportunity to express their concerns on a specific issue. Some issues on which the Council is required to hold public hearings are the annual budget,

public improvement projects and levying of special assessments.

The Council endeavors to complete action on each issue the same night as the hearing. However, there may be circumstances where additional information or action is needed making it desirable to defer action until a later date. Depending on the situation, the hearing may be closed or continued to a future meeting date.

## GENERAL PUBLIC HEARING PROCEDURES

1. Mayor opens the public hearing;
  - Mayor describes the purpose of the hearing;
  - Those wishing to comment are heard.

NOTE: If you wish to be heard, but do not want to speak, paper is provided at the City Clerk’s table which you may use to write your position.
2. Formal action is taken to close the hearing.
3. Council Members have the opportunity to comment and ask questions on the issue.
4. Council takes action on the issue or defers decision.

## MEETING DATES

Regular City Council meetings are held the second and fourth Mondays of each month at 6:30 p.m. at City Hall. Agendas for regular

meetings are prepared on the Thursday or Friday preceding the meeting. Occasionally meeting days are changed to avoid conflicts with holidays or other events. Information on specific meeting dates is available from the City Clerk.

## MINUTES

The official minutes of Council meetings are prepared and kept by the City Clerk and are reviewed and approved by the Council at the next regular meeting. Copies of the approved minutes are available in the City Clerk’s office and the City’s website, [www.mantorville.com](http://www.mantorville.com).

The meetings of municipal governing bodies are truly a study of democracy in action. It is hoped this pamphlet will aid you in understanding and taking part in the democratic process.

## PUBLIC HEARING NOTICE

Notice is hereby given that the Mantorville City Council will hold a public hearing on Monday, January 27, 2025 starting at 6:30 p.m., or as soon as reasonably practical thereafter, in the City Council Chambers at Mantorville City Hall, located at 21 5<sup>th</sup> Street East, Mantorville, Minnesota. The purpose of the public hearing is to hear from the public, consider and thereafter act on a proposed text amendment to the city's zoning regulations. The proposed amendment would establish certain zoning locations, regulations and limitations for various cannabis and hemp businesses within the city to an extent authorized under state law. Such persons that desire to be heard regarding this proposed amendment will be heard at the public hearing. A copy of the proposed ordinance amendment will be available for inspection no later than ten days before the public hearing at Mantorville City Hall during regular business hours. If you are unable to attend the public hearing, written comments may also be submitted via email ([gretchen@mantorville.com](mailto:gretchen@mantorville.com)) or dropped off or mailed to City Hall, 21 5<sup>th</sup> Street East, Mantorville, MN 55955. All comments submitted by 12:00 p.m. on January 27, 2025 will be presented to the City Council. Following the public hearing, the City Council will consider and possibly adopt the proposed ordinance.
