 Holiday/Event

In the event that someone has occupied your spot, don't panic. First double check your reservation to be sure the site number and arrival date are correct. If it's during business hours, call the City of Mantorville at 507-635-5170. After business hours, call the Dodge County Sheriff's Dispatch Center at 507-635-6200, they have access to the same on line reservations as the city. If at any time you feel comfortable, politely approach the individual and let them know they may be in the wrong spot. If its really late and there is an open campsite, go ahead and take that spot and call the city or dispatch right away in the morning.
